## **Where to Go, What to Do and Why**

by Scott Kathan

*Soulful Sundown* is a monthly celebration of the arts and spirituality, and an event where people in their 20s and 30s gather to nurture a deeper sense of community, self, purpose and ...showtunes?

Such is the case tonight, when cabaret performer extraordinaire Will McMillan is featured at the Soulful Sundown happening at the First and Second Church (66 Marlborough Street, Boston).

Each month a different artist is featured in a program exploring themes that are prevalent in the lives of young adults. Tonight's theme is Connections.

The show starts at 5:30 Sunday January, 9th, the event is free, but donations are accepted. Call (617) 267-6730 for more information.
